From: J. E. Farnham

Subject: Cremains of 40-001

A letter dated October 16, 1975 was received from Chapel of the Chimes on October 20, 1975. The letter informed me that the cremains were being shipped to CHR. I thus will use the date of October 16, 1975 as the date of exhumation.

On October 21, 1975 I received an invoice from the Chapel. The invoice was also dated October 16, 1975 and was for \$42.00 total charges. Both the letter and invoice are attached to this memo.

The actual cremains were received via parcel post (insured) on October 23, 1975. The cremains were contained in a half gallon polyethylene freezette with a gross weight of 1972 grams.

The processing of these cremains will be discussed with Dr. Schlenker, Dr. Rundo, and Dr. Larsen.
